Reference: Title IX, Section 9532 of the No Child Left Behind Act of 2001

The Board of Directors is committed to maintaining a safe school environment. The Board believes crime and violence at the Academy are potential, multifaceted problems that need to be addressed by utilizing the best resources and coordinated efforts of Academy personnel, law enforcement agencies, and families. The Board further believes the Academy and local law enforcement officials must work together to provide for the safety and welfare of students while at the school, at a school-sponsored activity or while en route to or from the school or a school-sponsored activity. The Board also believes the first step in addressing school crime and violence is to assess the extent and nature of the problem(s), then plan and implement strategies that promote safety and minimize the likelihood of crime and violence at the Academy.

The School Leader shall take the necessary steps so that an individual eighteen (18) years of age or older, who is a registered sex offender and resides, works, or loiters in violation of the Student Safety Zone, is reported to the local authorities.

The **Principal or Principal Designee** shall hold a meeting for the purpose of reviewing the provisions of the *School Safety Information Policy Agreement* and making modifications deemed necessary and proper by the participants in the meeting. The agenda will also include discussion of additional training needed and any other such related matters. Participants in this meeting shall include the School Leader, members of the Board of Directors, the County Prosecutor or his/her designee, and representatives from the local law enforcement agencies. Others may also be invited to participate in the meeting.

The **Principal or Principal Designee** shall make a report to the Board about this annual review and recommend the approval and adoption of any proposed revisions or additions.

## ***Academy Contact Person***

Furthermore, in accordance with state law, the Board hereby designates the School Leader as the Academy contact person who shall receive information from law enforcement officials, prosecutors and the court officials, and in turn, notify the staff members who need to know the information within twenty-four (24) hours of its receipt.

The School Leader shall notify the appropriate law enforcement officials when an eligible student commits any offense listed as a reportable incident in the *School Safety Information Policy Agreement*. Reporting such information is subject to Section 444 of subpart 4 of part C of the General Education Provisions Act, Title IV of Public Law 90-247, 20 USC 1232g, commonly referred to as the Family Educational Rights and Privacy Act of 1974.

If a student is involved in an incident reported to law enforcement officials, pursuant to the *School Safety Information Policy Agreement*, then, upon request by Academy officials, the student's parent or legal guardian shall execute any waivers or consents necessary to allow Academy officials access to Academy, court, or other pertinent records of the student concerning the incident and action taken as a result of the incident.

## ***Victims of Violent Crime***

Despite the diligent efforts of **Principal or Principal Designee** and staff to provide a safe school environment, the Board recognizes that an individual student may be a victim of a violent crime in the Academy, on school grounds, on a school conveyance, or at a school-sponsored activity.

In accordance with Federal and State law, the parents of the eligible student shall have the choice options provided by Policy 5113.02 and AG 5113.02, if applicable.
