### Why do you want to serve on the CHSI Board of Directors?

I want to serve because I believe in the school's mission and the impact it has on students and families. As a current board member, I value the work we've done to strengthen the school and support its growth, including the successful opening of the new campus. I am committed to continuing that process while ensuring that decisions remain student-focused, transparent, and aligned with CHS's vision.

### How do you hope to advance the mission of CHS by serving on the board?

I will advance CHS's mission by supporting strong governance, accountability, and clear decision-making. I value input from students, families, staff, and the community. As a parent navigating special education, I understand the importance of meeting the needs of all students. My focus is on continued growth while maintaining CHS's strong culture and high standards.

### What do you see as your greatest strengths, and what positive additions can you bring to this board?

My strengths include listening, advocacy, and staying informed. I research issues before making decisions. I come prepared, ask thoughtful questions, and focus on what is best for students. I value different perspectives and work well with others. I am committed to ongoing learning and supporting decisions that align with the school's mission.

### Why do you want to serve on the CHS Board of Directors?

I want to serve on the CHS Board of Directors to be a strong voice for both teachers and students. I believe they should have access to the tools and resources needed to foster a creative and engaging learning environment. I'm passionate about helping our school stand out by offering unique classes and maintaining a small, supportive classroom setting. My goal is to help create a school environment that students are excited to be part of—one that feels different from other high schools and truly supports their growth and success.

### How do you hope to advance the mission of CHS by serving on the board?

I will work to uphold the school's charter and restore its original foundation as a project-based learning institution. I am committed to ensuring the school's financial health is managed responsibly, including overseeing that the current construction loan is paid in full within its term. My goal is to support long-term stability while staying true to CHS's core mission.

### What do you see as your greatest strengths, and what positive additions can you bring to this board?

My greatest strength is my willingness to stand up and speak out for what is right and fair. I believe strongly in giving credit where it is due and fostering a culture of respect and accountability. I also recognize that teachers are the foundation of the school's success—they are a key reason students are motivated to attend and succeed. I will advocate for consistent support of teachers throughout the school year to help maintain a strong, positive learning environment.
